## HP ATP Server Solutions Official Certification Study Guide (Exam HP0-S40) By Kristin Barendsen

This Study guide helps you prepare for the Building HP Server Solutions (HP0-S40) certification exam. Organized along the lines of exam objectives, chapters can be studied independently or comprehensively when preparing for the HP Accredited Technical Professional (ATP) Server Solutions V1 certification. Learning checks at the end of each chapter and a practice test at the end of the book are designed to help measure your understanding of the material presented. This guide provides a technical introduction to HP ProLiant server products, including rack, tower and BladeSystem solutions. HP products discussed include ProLiant ML, DL, SL and BL servers and associated technologies. Once you have achieved certification, this guide will continue to serve as a useful reference tool to plan, design, implement, troubleshoot and manage an HP server solution based on customer needs.
