Editorial Review

Review

"Wyman keeps to a steady drive and an energetic projection that hold listeners' attentions." - *AudioFile Magazine*

One of *The Wall Street Journal's* "10 Books to Read Now"

One of the Best Nonfiction Books of 2016, *Kirkus Reviews*

One of the Most Anticipated Books of Fall 2016, *Publishers Weekly*

"Thomas L. Friedman is a self-confessed 'explanatory journalist' whose goal is to be a 'translator from English to English.' And he is extremely good at it . . . it is hard to think of any other journalist who has explained as many complicated subjects to so many people . . . Now he has written his most ambitious book?part personal odyssey, part commonsense manifesto . . . As a guide for perplexed Westerners, this book is very hard to beat . . . *Thank You for Being Late* is a master class in explaining . . . As usual with Friedman, it is all backed up by pages of serious reporting from around the world . . . After your session with Dr. Friedman, you have a much better idea of the forces that are upending your world, how they work together?and what people, companies and governments can do to prosper. You do have a coherent narrative?an honest, cohesive explanation for why the world is the way it is, without miracle cures or scapegoats. And that is why everybody should hope this book does very well indeed." ?**John Micklethwait, *The New York Times Book Review***

"[An] ambitious book . . . In a country torn by a divisive election, technological change and globalization, reconstructing social ties so that people feel respected and welcomed is more important than ever . . . Rather than build walls, [healthy communities] face their problems and solve them. In [Friedman's] telling, this is the way to make America great." ?**Laura Vanderkam, *The Wall Street Journal***

"Engaging . . . in some senses *Thank You For Being Late* is an extension of [Friedman's] previous works, woven in with wonderful personal stories (including admirably honest discussions about the nature of being a columnist). What gives Friedman's book a new twist is his belief that upheaval in 2016 is actually far more dramatic than earlier phases . . . Friedman also argues that Americans need to discover their sense of 'community,' and uses his home town of Minneapolis to demonstrate this. In two of the most engaging chapters, the author returns to the town and explains how it has created a relatively inclusive, harmonious and pragmatic style of government . . . It is a wonderful sentiment. And it injects a badly needed dose of optimism into the modern debate." ?**Gillian Tett, *Financial Times***

"The globe-trotting *New York Times* columnist's most famous book was about the world being flat. This one is all about the world being fast . . . His main piece of advice for individuals, corporations, and countries is clear: Take a deep breath and adapt. This world isn't going to wait for you." ?**Fortune**

"[A] humane and empathetic book." ?**David Henkin, *The Washington Post***

"[Friedman's] latest engrossingly descriptive analysis of epic trends and their consequences . . . Friedman

offers tonic suggestions for fostering 'moral innovation' and a commitment to the common good in this detailed and clarion inquiry, which, like washing dirty windows, allows us to see far more clearly what we've been looking at all along . . . his latest must-read." **?Booklist (starred review)**

"The three-time Pulitzer winner puts his familiar methodology?extensive travel, thorough reporting, interviews with the high-placed movers and shakers, conversations with the lowly moved and shaken?to especially good use here . . . He prescribes nothing less than a redesign of our workplaces, politics, geopolitics, ethics, and communities . . . Required reading for a generation that's 'going to be asked to dance in a hurricane.'" **?Kirkus Reviews (starred review)**

About the Author

Thomas L. Friedman is an internationally renowned author, reporter, and columnist-the recipient of three Pulitzer Prizes and the author of six bestselling books, among them *From Beirut to Jerusalem* and *The World Is Flat*.

He was born in Minneapolis in 1953, and grew up in the middle-class Minneapolis suburb of St. Louis Park. He graduated from Brandeis University in 1975 with a degree in Mediterranean studies, attended St. Antony's College, Oxford, on a Marshall Scholarship, and received an M.Phil. degree in modern Middle East studies from Oxford. After three years with United Press International, he joined *The New York Times*, where he has worked ever since as a reporter, correspondent, bureau chief, and columnist. At the *Times*, he has won three Pulitzer Prizes: in 1983 for international reporting (from Lebanon), in 1988 for international reporting (from Israel), and in 2002 for his columns after the September 11th attacks.

Friedman's first book, *From Beirut to Jerusalem*, won the National Book Award in 1989. His second book, *The Lexus and the Olive Tree: Understanding Globalization* (1999), won the Overseas Press Club Award for best book on foreign policy in 2000. In 2002 FSG published a collection of his Pulitzer Prize-winning columns, along with a diary he kept after 9/11, as *Longitudes and Attitudes: Exploring the World After September 11*. His fourth book, *The World Is Flat: A Brief History of the Twenty-first Century* (2005) became a #1 *New York Times* bestseller and received the inaugural Financial Times/Goldman Sachs Business Book of the Year Award in November 2005. A revised and expanded edition was published in hardcover in 2006 and in 2007. *The World Is Flat* has sold more than 4 million copies in thirty-seven languages.

In 2008 he brought out *Hot, Flat, and Crowded*, which was published in a revised edition a year later. His sixth book, *That Used to Be Us: How American Fell Behind in the World We Invented and How We Can Come Back*, co-written with Michael Mandelbaum, was published in 2011.

Thomas L. Friedman lives in Bethesda, Maryland, with his family.

Users Review

From reader reviews:

Tonya Deschamps:

The book Thank You for Being Late: An Optimist's Guide to Thriving in the Age of Accelerations can give more knowledge and also the precise product information about everything you want.
